Baby Blue, Blue and Green Group

Blue Group

Time for more summer fun! This month the Blue Group will be focusing on sharing and using our words. We will also celebrate the 4th of July. During our Summer Camp Program, we will study animals' prints and patterns. We will also practice making animal sounds! We will then become adventurers by making binoculars so we can explore nature and exploring movement through car ramp races and marble art. Finally, we will learn how to make some easy and delicious snacks!

Also, we'd like to give a friendly reminder that school will be closed July 4th and 5th!

Green Group

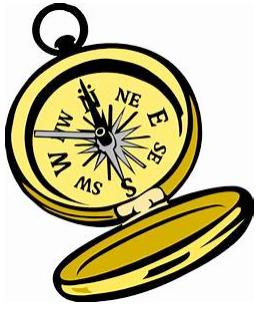

Green Group will continue to learn Spanish words and practice waiting our turn.

In camp rotations, we will make patriotic art projects, and investigate animals through fun, hands-on activities. We will become young adventurers and explore the jungle, hunt for treasure and learn about bubbles! The last week of camp, we will become chefs and cook up some tasty treats.

Reminder: Joyce's is closed July 4th and 5th!

Eye Witness News: Red and Aqua Group

Red Group

This month students will continue to have fun with Summer Camp!

We will make patriotic crafts the first week of July and will be closed July 4th and 5th! During Zoology week we will focus on pets, for Young Adventurers week we will go back in time to the Wild West, and for Master Chef week we will create fun, yummy snacks, such as caterpillar kabobs!

Aqua Group

This month begins by celebrating the 4th of July! Joyce's will be closed Thursday, July 4th and Friday, July 5th.

Students will make patriotic artwork. We will investigate safari animals for Zoology week. During Young Adventurers week, we will travel to Ancient Egypt to explore the pyramids and meet some mummies! Master Chef Jr. week will be filled with fun and delicious cooking creations like homemade ice cream!
